originator or other party to the transaction, and describe briefly the remedies available if those representations and warranties are breached, such as repurchase obligations.

- (f) Claims on pool assets. Describe any material direct or contingent claim that parties other than the holders of the asset-backed securities have on any pool assets. Also, describe any material cross-collateralization or cross-default provisions relating to the pool assets.
- (g) Revolving periods, prefunding accounts and other changes to the asset pool. If the transaction contemplates a prefunding or revolving period, provide the following information, as applicable. Provide similar information regarding any other circumstances where pool assets may be added, substituted or removed from the asset pool, such as in the event of additional issuances of asset-backed securities in a master trust or a breach of a pool asset representation or warranty:
- (1) The term or duration of any prefunding or revolving period.
- (2) For prefunding periods, the amount of proceeds to be deposited in the prefunding account.
- (3) For revolving periods, the maximum amount of additional assets that may be acquired during the revolving period, if applicable.
- (4) The percentage of the asset pool and any class or series of the asset-backed securities represented by the prefunding account or the revolving account, if applicable.
- (5) Triggers or events that would trigger limits on or terminate the prefunding or revolving period and the effects of such triggers. In particular for a revolving period, describe the operation of the revolving period and the amortization period.
- (6) When and how new pool assets may be acquired during the prefunding or revolving period, and if, when and how pool assets can be removed or substituted. Describe any limits on the amount, type or speed with which pool assets may be acquired, substituted or removed.
- (7) The acquisition or underwriting criteria for additional pool assets to be acquired during the prefunding or revolving period, including a description

- of any differences from the criteria used to select the current asset pool.
- (8) Which party has the authority to add, remove or substitute assets from the asset pool or determine if such pool assets meet the acquisition or underwriting criteria for additional pool assets. In addition, disclose whether or not there will be any independent verification of such person's exercise of authority or determinations.
- (9) Any requirements to add or remove minimum amounts of pool assets and any effects of not meeting those requirements.
- (10) If applicable, the procedures and standards for the temporary investment of funds in a prefunding or revolving account pending use (including the disposition of gains and losses on pending funds) and a description of the financial products or instruments eligible for such accounts.
- (11) The circumstances under which funds in a prefunding or revolving account will be returned to investors or otherwise disposed of.
- (12) A statement of whether, and if so, how, investors will be notified of changes to the asset pool.

## § 229.1112 (Item 1112) Significant obligors of pool assets.

- (a) Descriptive information. Provide the following information for each significant obligor:
  - (1) The name of the obligor.
- (2) The organizational form and general character of the business of the obligor.
- (3) The nature of the concentration of the pool assets with the obligor.
- (4) The material terms of the pool assets and the agreements with the obligor involving the pool assets.
- (b) Financial information. (1) If the pool assets relating to a significant obligor represent 10% or more, but less than 20%, of the asset pool, provide selected financial data required by Item 301 of Regulation S-K (§229.301) for the significant obligor, provided, however, that for a significant obligor under Item 1101(k)(2) of this Regulation AB, only net operating income for the most recent fiscal year and interim period is required.

## § 229.1113

(2) If pool assets relating to a significant obligor represent 20% or more of the asset pool, provide financial statements meeting the requirements of Regulation S-X (§§ 210.1–01 through 210.12–29 of this chapter), except § 210.3–05 of this chapter and Article 11 of Regulation S-X (§§ 210.11–01 through 210.11–03 of this chapter), of the significant obligor. Financial statements of such obligor and its subsidiaries consolidated (as required by § 240.14a–3(b) of this chapter) shall be filed under this item.

Instructions to Item 1112(b): 1. No information need be provided pursuant to paragraph (b) of this section if the obligations of the significant obligor as they relate to the pool assets are backed by the full faith and credit of the United States.

- 2. No information need be provided pursuant to paragraph (b) of this section if the obligations of the significant obligor as they relate to the pool assets are backed by the full faith and credit of a foreign government (as defined in §240.3b-4(a) of this chapter) if the pool assets are investment grade securities as defined in Item I.B.2 of Form S-3 (§239.13 of this chapter). If the pool assets are not investment grade securities, information required by paragraph (5) of Schedule B of the Securities Act (15 U.S.C. 77aa) regarding the foreign government may be incorporated by reference from a Commission filing in lieu of providing the financial information required pursuant to paragraph (b) of this section.
- 3. If the significant obligor is an asset-backed issuer and the pool assets relating to the significant obligor are asset-backed securities, provide the following information in lieu of the information required by paragraph (b) of this section:
- a. For a registration statement under the Securities Act or the Exchange Act or a prospectus to be filed pursuant to \$230.424 of this chapter, the information required by Items 1104 through 1115, 1117 and 1119 of this Regulation AB regarding such asset-backed securities; and
- b. For an Exchange Act report on Form 10–K or Form 10–D (§249.310 or 249.312 of this chapter), the information required by General Instruction J. of Form 10–K regarding such asset-backed securities for the period for which the last Form 10–K of the asset-backed securities was due (or would have been due if such asset-backed securities are not required to file reports with the Commission pursuant to section 13(a) or 15(d) of the Exchange Act (15 U.S.C. 78m(a) or 78o(d)).
- 4. If the significant obligor is a foreign business (as defined §210.1-02 of this chapter):

- a. Paragraph (b)(1) of this section may be complied with by providing the information required by Item 3.A. of Form 20-F (§249.220f of this chapter). If a reconciliation to U.S. generally accepted accounting principles called for by Instruction 2. to Item 3.A. of Form 20-F is unavailable or not obtainable without unreasonable cost or expense, at a minimum provide a narrative description of all material variations in accounting principles, practices and methods used in preparing the non-U.S. GAAP financial statements used as a basis for the selected financial data from those accepted in the U.S.
- b. Paragraph (b)(2) of this section may be complied with by providing financial statements meeting the requirements of Item 17 of Form 20-F for the periods specified by Item 8.A. of Form 20-F.

## § 229.1113 (Item 1113) Structure of the transaction.

- (a) Description of the securities and transaction structure. In providing the information required by Item 202 of Regulation S-K (§229.202), address the following specific factors relating to the asset-backed securities, as applicable:
- (1) The types or categories of securities that may be offered, such as interest-weighted or principal-weighted classes (including IO (interest only) or PO (principal only) securities), planned amortization or companion classes or residual or subordinated interests.
- (2) The flow of funds for the transaction, including the payment allocations, rights and distribution priorities among all classes of the issuing entity's securities, and within each class, with respect to cash flows, credit enhancement or other support and any other structural features designed to enhance credit, facilitate the timely payment of monies due on the pool assets or owing to security holders, adjust the rate of return on the assetbacked securities, or preserve monies that will or might be distributed to security holders. In addition to an appropriate narrative discussion of the allocation and priority structure of pool cash flows, present the flow of funds graphically if doing so will aid understanding. In the flow of funds discussion, provide information regarding any requirements directing cash flows from the pool assets (such as to reserve accounts, cash collateral accounts or
